TOPIC: 'Jesus Christ - Defender of the Family' - Discussion Facilitator: George Favotto
(marriage preparation facilitator)

Some people are confused about or are afraid to defend what marriage means, some want to redefine marriage to mean something other than a covenant between one man and one woman. The family has been at the centre of God's plan since the beginning (CCC 2203), it is "the original cell of social life" (CCC 2207). Jesus Christ dwells with each man and woman who join in the Sacrament of Matrimony, giving them the strength to endure in loving marriages, and "a foretaste of the wedding feast of the Lamb". Registration \$10 - **Reservations required:** Kevin 0470 284 590

TOPIC: The Courage of Jesus Christ' - Discussion Facilitator: To be determined

Many men are confused and afraid to respond to the darkening culture. Some attempt to "man-up" by engaging in thrill-seeking behaviour (X-treme sports, etc.), sexual conquest, wild partying or in "manly" activities (fishing, sports, etc.). Others retreat into perpetual adolescence, fade into feminization or succumb to homosexualization. In the face of mass moral confusion and the relentless cultural pounding of "political correctness", many Catholic men falter in courage and fall into cowardice. On many occasions, various groups plan and attempt to kill Jesus (John 5:16; Mark 7:5; John 7:30; John 8:59; John 10:20; Luke 13:31; John 11:53; Luke 19:47). Jesus courageously persists despite the murderous plots...Jesus demonstrates a total commitment to serve God in the face of persecution.
