

# *An appeal for Beirut*

## The John Paul Foundation

For those of you you don't know, we have been collecting clothes & blankets to send to Lebanon prior to this catastrophe. Now we have just extended the timing and will be accepting more supplies.

They need it now more than ever.

The supplies will be split between the poor and those in need now with the explosion.

Every little bit helps.

Our aim is to send the container to Lebanon at the end of August. So please to give us some time to finish packing everything we will no longer be accepting anything after August 22nd.

Here is a list of some of the necessities they are in desperate need of that we could ship over (just to give a rough idea)

- Diapers
- Baby formula
- Any baby supplies
- Toothbrushes
- Sanitary items
- Tissues
- Soaps etc
- Canned food
- Carbohydrates (rice, pasta etc)
- Blankets
- Etc.

Drop off to Dural,  
Oatlands, Ryde, Caste hill, Burwood and some other areas otherwise we are happy to pick up as well !

**Our Collection point will be at the  
Baptismal Font at St Joseph's Church Enfield**
